

Tylok International appoints Todd MacGregor, principal of Eastern Reliability in New England market

Eastern Reliability has joined Tylok's Sales Team to represent their fittings, valves and hose products in the states of MA, ME, VT, NH, CT and RI.

Learn more about why Todd Mac is so excited!

Visit www.tylok.com or call me anytime at 508-992-9189 if you have any questions.

Tylok International, Inc., the founding company of the original flareless tube fitting, offers compression tube fitting lines that are fully interchangeable with Swagelok and Parker product lines. Tylok's tube fittings are proudly made in the USA.

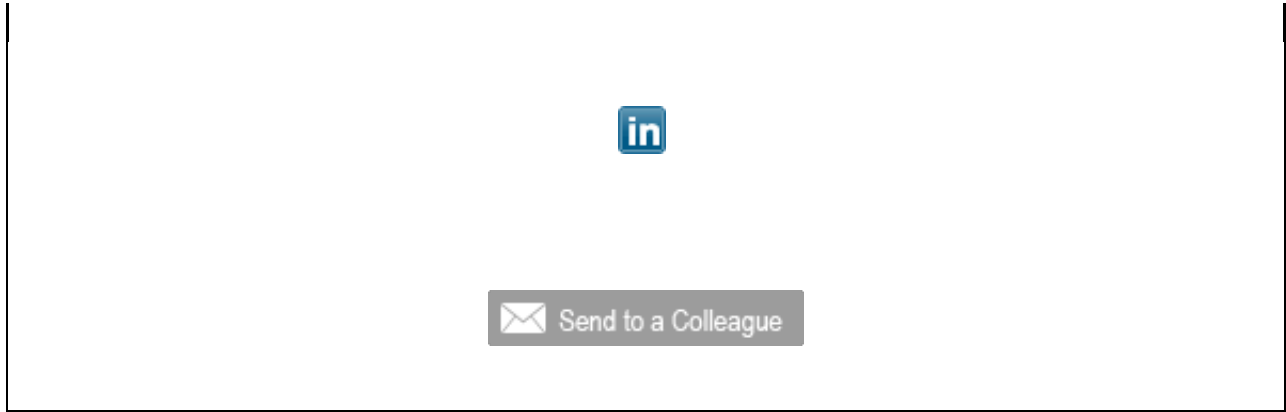

Eastern Reliability regionally represents ASSMANN Polyethylene Tanks, JUSTIN FRP Tanks, MASS Tank for steel and high alloy tanks, Plastic Concepts for Plastics Fabrication, INNOMAG Chemical Transfer Pumps, EPG for Landfill Leachate and Hazardous waste site pump, control and gas applications, and Tylok International for fittings, valves, and hose products. Eastern Reliability works closely with Industrial Distribution, OEM and Engineering firms to solve chemical storage, process and pumping problems.

Think of Eastern Reliability to solve all of your difficult Industrial and Chemical Tank and Transfer needs.

Thank you for your continued support.

Todd Mac
